We were told that dedications are out-dated and no longer popular, but when we thought about our class and a certain person that has helped us, we felt we had no choice but to dedicate our yearbook to her. Mrs. Judy Brenner has been our class advisor for 4 years. She took the job not knowing exactly what it entailed, but has grown with us to become our leader and our friend. From our sophomore year when she ran our Gong Show in the midst of her own personal problems, to helping us put on one of the best proms in our school's history, she has always stuck by us. Now she is topping our 4 years off with a cruise to Bermuda. Because of all she has done for us, the Class of 1987 thanks her, loves her and dedicates their 1987 yearbook to Mrs. Judy Brenner.

Putting on our annual Gong Show, planning for the cruise, going to Riverside and Hampton Beach, planning for and attending the Prom, and selling chocolate Santas, Gummi Bears, Easter chocolates, etc. to finance your projects; these have all been the obvious parts of our four years together. But really these four years have been made up of long talks, benevolent nagging, hard work and plenty of laughter. We have all worked hard to make the class of 1987 a success.

The real success is measured by the changes, the growth and the maturity that has occurred since you tried to build your 8 foot tall M & M as Freshmen. You have become a group of energetic and talented young adults that I enjoy and respect.

It has been my pleasure to be your advisor for the past four years, and it will be with pride and with tears that I will congratulate you on your Graduation Day. I will miss your smiling faces!

Love,
Judy Brenner

The Cruise

The Senior class of 1987 will be going on an extraordinary class trip this year. They will be taking a 5 day, 4 night cruise to Bermuda on the spectacular SS Galileo. Eighty percent of the class are expected to be going, while an unfortunate 20 percent will be staying home. The trip will take place between May 31 AND June 4. The class will be home just in time for Awards Night on June 5, and Graduation, which will be held on June 6. A survey was taken among the Senior class to see how they were paying for the trip and what they were looking forward to the most about the cruise.

Jobs

Our school has many students who are employed. In September a survey was taken on jobs. There were 87 Juniors and 65 Seniors who completed the survey. Of those surveyed 64% had jobs. More Seniors are employed than Juniors; 78% to 54%.

Out of all the working students, there were 55 different places of employment. The Turners Falls IGA employs the most students while Burger King and the Farren Hospital employ the second highest amount. The most common job for students is cashiering at fast food restaurants or in grocery and retail stores. Transportation is fairly easy for Seniors, 31 drive themselves to work . . A few (3) get rides with parents, 5 with friends, 7 have other means and only 3 have to walk. The Juniors don't drive as much; only 10 do. They do a lot more walking; 15. There are also a lot of them who depend on parents; 18. Four go with friends and 5 find other ways.

The Seniors seem to like their jobs more than the Juniors; 60% said they did to 46% of the Juniors. On the whole, most students do enjoy work. Only 15% of the Seniors and 22% of the Juniors stated they did not like their jobs. Other comments were it's okay, sort of, and sometimes.

The average rate of pay for everyone was $3.87 per hour. The average for the Seniors was $4.07 an hour and for the Juniors it was $3.68 an hour.

The Sights And Sounds

Every high school student's dream is to skip school and do whatever he or she wants, and this was proved by the popularity of Ferris Bueller's Day Off. It also brought about a surge of popularity for the old Beatles song "Twist and Shout." The connection between music and movies was also shown with "Who Made Who," a release from AC/DC which was from the movie Maximum Overdrive, and "The Glory of Love" from Karate Kid. The variety of what was watched and listened to was tremendous. The movies ranged from the romantic Top Gun, to the nostalgic Standy By Me, to the grotesque Chainsaw Massacre. The music varied from the gentle "Friends and Lovers" to the dance beat of "Nasty" and the rock of "Who Made Who." There was, to say the least, something for everyone.

Kims favorite song was "You Give Love a Bad Name"

Kelly's favorite movie was Stand By Me

Barb prefers to read the book than see the movie

Lockers And Halls

There are two popular ways in which the students express their special personalities. As we all know, the students like to hang out at their lockers in the halls of the school, during lunch. This is where everyone comes together to socialize. Some tell jokes or just joke around. . Some talk to their friends about what happened during the day or what's going to happen that weekend.

In these halls the students express themselves through their lockers. Some have pictures of their friends, girlfriends, boyfriends, TV stars, etc. The words and phrases that they clipped out of magazines, also expresses the students unique personalities.

Dear TFHS,

We've had so much fun here. We can't believe that it's all coming to an end. We'll always have lots of good memories. But there's always next year to look forward to a new adventure!

Class History

Freshman Year 1983-1984

Mrs. Brenner took the challenge of becoming our class advisor. Her enthusiasm encouraged us to complete our first Booster Day Float of M&M's with the slogan "Mohawk will Melt on our Field". Our float placed third which wasn't too bad. Amy Viens represented our class as Lady-In-Waiting escorted by class president James Tibbetts. Some of us purchased class T-shirts to show our spirit. We sold chocolate Santa's and sponsored a car wash. We finished our first year in high school with a class trip to Riverside Park. Remember how hot it was?

Sophomore Year 1984-1985

Our Booster Day Float placed second this year. Snoopy and his slogan "The Blue Baron will put Mahar in the dog house" fit right in with the cartoon theme. Maureen Mankowsky represented us as Dutchess and was escorted by James Tibbetts, class president. We debated heavily over which company we were going to purchase our class rings from. Josten's was the lucky company. We sold Gummy Bears, flowers for Valentines, and put on a Gong Show to start raising money for the prom. Jaimye Wright represented our school at the Hugh O'Brien leadership seminars in Boston. Our class trip this year was a day trip to Hampton Beach. For a hazy day we got pretty burned.

Junior Year 1985-1986

We attempted to sell spirit items at football games to raise some more money for the prom but didn't quite succeed. The theme for Booster Day this year was Sesame Street. Our float The Count placed first with the "I want to count the Touchdowns". Michelle Lambert represented our class as Princess and was escorted by Jerry Dobosz. The prom was held at Wiggin's Tavern in the Coachlight Room with Trace providing the entertainment. The Loft Studio took our pictures. Our theme was "This Could be the Night" by Loverboy. We started making plans for our class trip for our senior year. We hope to go on a cruise.

Senior Year 1986-1987

We finally made it! The student council decided to change the way the school choses its escorts for Booster Day. Now there's a queen and her court and a king and his court. King and Queen were Charlie Choleva and Linda Dagilus. The Booster Day theme was Nursey Rhymes. Our Float of Little Miss Muffet placed second. The National Honor Society also changed the school a little by getting special privileges for its senior members. To get the school into the Christmas spirit Mrs. Loomer worked with the student council and the classes adopted a family and provided a Christmas dinner and presents for the family. The cruise plans sank but we made plans to go to the Bahamas and spend a few days on Nassau. This was definitely a year of changes. I hope the faculty will survive.

Yours truly

Here I am World!

Charlie, camera shy?

I wouldn't have believed it if I hadn't seen it with my own eyes!

At last! Quiet!

Such a cute face!

Drop Dead!

Don't even think about it

We might look like . . .

What are you smirking at Jim?

Dog is mans best friend.

I won't hurt him too much!

I'm clueless!

What a yearbook?!

Best friends forever!

Why did you do that?

We're enjoying this, but . . .

You, hero!

Just me and my bike.

Best buddies.

Who else?

Napkin-making is so much fun!

Yearbook Staff

It's been a rough year. Our staff started very new, without much experience. We did, however, have very big ideas, maybe too big for our first year. We tried our hardest but in the end ran out of time. We did produce what we think is a very good book and we hope you will enjoy it.

Sincerely,
'87 Yearbook Staff

Advisor-Betsy Laczynksi, Editor-James Tibbetts, Business Manager-Jaimye Wright, Seniors-Dawn Sanders and Jaimye Wright, Underclassmen-Staff, Academics-Staff, Activities-Kelly Graves, Sports-Andrea Stafford, Photography-Phil Brenner, Typists-Kerry Fortin and Dori Demars, Staff-Kearston Thomas, Doreen Targhetta, and Erin Cromack. We would like to give special thanks to Mrs. Scott and the model office.

Peer Educators are students devoted to helping their peers with the issues of drug and alcohol use and abuse, sexuality, suicide, and any other issues pertinent to the early and late adolescent age group. They are located in a newly remodeled office on the second floor of Turners Falls High School. Students who might not wish to seek adult supports are encouraged to seek peer support and all contacts are confidential. There is a network of community agencies who are available to provide assistance and referrals are made to the appropriate agencies.

Bill and Mr. "O" -serious for a moment.

Coach Kelley and Filanowski decide that he WILL start in tomorrows game.

EJ takes a breather.

The Varsity Football team had a 6-3-1 record this season, which was their first winning season in the last 5 years. This uplift in skills and strength was due to summer preparations on the teams part which included hard running and weightlifting. The Most Improved Players were Bill Leh and EJ Banash. Coach O'Riley said that Bill's attendance at summer camp helped his skills and he ran the offense well as the starting quarterback. EJ was an excellent defensive halfback and had 5 tremendous interceptions. The captains and Most Valuable Players were Chris Filanowski, Chris Markowski, Bob Caouette, and Dave Bogusz. Mr. "O" commented on each player: "Chris F. was the pass receiving leader with 22 catches." "Chris Markowski was the offensive lineman and center." "Bob Caouette overcame a knee injury, was a hard runner, and a great running back." "Dave Bogusz was the defensive leader and the leading tackler." Coach O'Riley said "The senior leadership made for spirited practices and an excellent attitude toward working!" But of course Coach O'Riley can't take all of the credit, he had alot of help. This includes Coach Koldis (11 yrs.), Coach Kelley (1 yr.), Coach White (2 yrs.), Amy Viens (trainer), and Jaimye Wright and Dawn Sanders who have been the statisticians for 2 years.

1st row-Coach Kelly, Jim Dion, Todd Brunelle, George Croteau, Jamie Hackett, Aaron Krol, Craig Brown. 2nd row-Nathan Chase, Coach White, Scott Gove, Tom Scott, Jason Parker, David Gerrish, Shane Voudren, Kenny Burke, Kevin Borbeau. 3rd row-Coach O'Riley, Coach Koldis, Jeremy Stone, Tim Lashaway, Ed Fisher, Nick "The Shoe" Carme, Wes Cady, Bob Bogusz, Tom Urban. 4th row-Steve Sirum, George Carner, Shawn Morin, Ken Murray, Eric Shaw, Art Ackerman, Jamie Parent, Terry Prentice, Eric Peterson. 5th row-John Reipold, Erik Sauter, Bob Mosca, Gerrick Fulton, Rick Crofton, Jon Dobosz, John Putala, Tim Walsh, Joe Bucci. Bottom row-Jim Ptak, Bill Leh, Bob Caouette, Dave Bogusz, Chris Markowski, Chris Filanowski, EJ Banash, Andy Jackman, Steve Carey.

Float Making & Floats

theme-nursery rhyme

I have absolutely no clue.

Sh--!!

This is better than homework.

Get me out of here!!

The hard work and effort put out by all four classes was well paid off by the outcome being four spectacular floats. Although, as in any competition, there was only one winner and the other competitors were disappointed. Tied for third place were the Freshmen and the Juniors. The Freshmen were working with the nursery rhyme Three Blind Mice. Their saying was "Three blind Senators, See how they flee, As Turners goes for their Victory." The junior used The Little Old Woman Who Lived in a Shoe. They came up with the saying "Coach O'Riley lived in a shoe, He had so many players, He knew just what to do, Out on the field, The Indians ran, Not a Senator was left to stand!" Second place went to the Senior class who used Little Miss Muffet as a theme. Creatively the rearranged the nursery rhyme to read "Mahar's Miss Muffet just couldn't tuff it, Running her plans and plays. When along came the Turners spider, Sat down beside her, And showed her his winning ways." The first prize trophy went to the Sophomores who used Humpty Dumpty. Their winning saying was "The Mahar Senators are in for a fall, When Turners Indians get up on the wall.

Who says this is a man's job?

All the king's horses and all the king's men.

Humpty Dumpty is bummin'!!

Well Mr. O, how do you like them ears?

Second place? Or first?!?

5 . . 4 . . 3 . . 2 . . 1 . . BLASTOFF!

The agony of d'feet.

Three blind Senators.

Booster Day

It was our 20th anniversary for Booster day and we did it up in grand style. We made our first change by adding a King and his court to the festivities. The Class of 1987 elected Charlie Choleva as the first Booster Day King with Linda Dagilus his Queen. The Kings Court was Scott Bruso as the Prince, Chip Dodge as the Duke and Todd Dodge as the Knight. The Queens Court was Gretchen Kovolsik as the Princess, Neyssa Pellitier as the Dutchess and Billie Beaubien as the Lady in Waiting.

The rally went well with Leanne Chagnon as the M.C. The Sophomores just beat the Juniors for the spirit award. The Seniors dozen or so people couldn't quite keep up with the other spirited classes because all their volume was sitting with the football team.

The football team finished off the weekend by winning their game. They outscored Mahar 20 to 13. All in all finishing off a wonderful weekend.

The Class of 1990 shows their spirit.

The Junior class' Prince and Princess, Scott Bruso and Gretchen Kovalsick.

Student Council President Jaimye Wright only thinks of it being all over.

The cheerleaders show off their best.

The Senior's royalty, King Charlie Choleva and Queen Linda Dagilus

Give us a J-U-N-I-O-R-s!

Sophomores Chip Dodge and Neyssa Pellitier are Duke and Dutchess

Leanne Chagnon kept everyone going as the M.C.

The football team gives the Queen a standing O.

Todd Dodge and Billie Beaubien represent the Freshmen as Knight and Lady in Waiting

Western Mass Champs

The 1986 Varsity volleyball enjoyed an extremely successful season, defeating Mahar to become Western Mass. Champs and advancing to the state semi-finals, where they were defeated by an imposing Westwood team. Although getting off to a slow start and losing some early games through careless play, the team soon gained confidence in their skills and began their winning ways. Coach Rachel Blain named Andrea Stafford, Doreen Targhetta, and Kelly Graves as her most valuable players. She felt that they were excellent leaders with a great deal of cohesiveness and unity, attributable to their off-the-court friendship. Coach Blain selected Kelly Graves and Tammy Shearer as the most improved players and commented on how tremendously hardworking they were in creating their own goals and then working hard to achieve them. Deb Partridge was named Rookie-of-the-Year, as Coach Blain pointed out her bright future, love of the game and athletic talent. The 1986 Varsity Volleyball Team was a shining example of the proud volleyball tradition at TFHS.

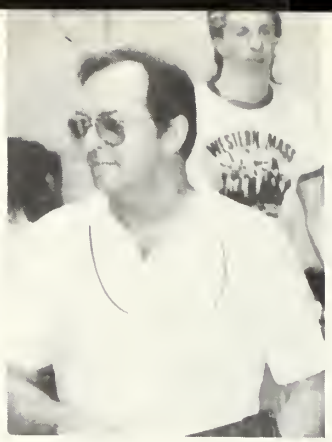
Boys' Swim Team

Division C Champs



The Boys' Swimteam has done it!!!! It's the first swimteam in TFHS history to have gone undefeated. With a record of 13-0 they took first place in Division C. With captains Phil Brenner and EJ Banash, how can you miss? Right? When asked how they went from second place last year to first place this year, Coach Snapp replied, "It was due to the increase in effort of all team members involved." The most valuable members of the team were Scott Bruso, Wes Conger, and Phil Brenner. Scott was a Western Mass. qualifier in two events and he was the team's second highest scorer. Phil was also a Western Mass. qualifier, was undefeated this year in dual meets in the breast stroke and holds the school record in the breast stroke. The most improved swimmer was Ed Brown for his dives. He placed fourth in Western Mass. and held the school record before EJ Banash reset it. The rookie of the year was Scott Duncan who was a freestyler and anchored the first line Medley Relay and the 4x100 free-relay. "The biggest change over the season," said Coach Snapp, "was the great depth that was added by Shane Bush, Jeff Kocsis, Torrey Scott, Eric Shaw, and Ken Deso."

The Girls' Swimteam was lead into an extraordinary season this year by Linda Dagilus. They had a 10-3 record and ended as third place in Division C and eighth place in the Western Mass. District. Linda shared her leadership with Kim Morin, Tina Cominoli, and Maureen Mankowsky, as they are all considered to be "Most Valuable Members". Kim Morin has been the West. Mass. Champion for two years in the 50 yard freestyle and presently holds school records in eight events. She has also been on the West. Mass. All-Star team for two years. Tina Cominoli, an extraordinary diver, placed seventh in West. Mass.

Maureen Mankowsky, was a time time qualifier for West. Mass., as was Linda Dagilus who also made the All-Star team one year and Honorable Mention one year. Other significan contributors were Neysa Pelletier, Jen Thomas, Lisa Richotte, Sandy Markol, Debby Bogue, Gail Falcon, and Evelyn Casey. The Rookie of the Year was Barb Pearson who dropped 15 seconds from her 100 freestyle time from the beginning of the season to the last meet. As the season progressed, strengths in the front line swimmers showed through, the team could depend on 6 to 8 first places every meet. The rapid development of the second and third line swimmers resulted in several meets including South Hadley, being won. Much assistance was given to Coach Snapp to produce such a great team. This includes Barb Kascinski (Asst. Coach) who expertized in stroke analysis and improvement of swimmers, Mike Cowles who voluntarily helped with the divers, and Barb Pearson, Kim Slauenwhite, and Kim Morin who ran the scorers' table, helped organize and run the diving events. The most significant event of the Girls' Swimteam this year was overcoming the previously undefeated South Hadley team in the last dual meet of the season.

This year the Varsity Girls Basketball team, led by Coach O'Rielly, finished their season with a record of (7-11). Despite their many hours of hard work and pouring sweat, this fine group of athletes did not enjoy the sweet taste of success they very much deserved. According to Coach O'Rielly these girls worked relentlessly on their defense and their high-spirited practices produced a much better team at the end of the season.

Filling the leadership rolls within the team were the four senior captains, Dori Demars, Andrea Stafford, Doreen Targhetta, and Kim Zywna. Leading the way for the rest of the team were the two most valuable players, Sue Sirum and Andrea Stafford. Sue, the teams leading scorer was an agressive coast to coast player with excellent quickness. Andrea, the leading rebounder and second highest scorer, was a strong team leader and was the most consistant player on the court. The most improved players were Dori Demars, Amy Viens, and Kim Zywna. Dori, one of the teams most versitile players, ran the offense from the point. Amy, was an extremely hard worker showing the most improvement in skills. Kim was an agressive rebounder proving her skills as an excellent defensive player. An outstanding freshman, Deb Partridge, was the rookie of the year. With her good quickness and quick learning, she developed well and eventually became one of the starters.

The most exciting part of the year for these girls was probably their one point (36-35) win over Smith Academy. Coach O'Rielly had special thanks for assistant coach Steve Kelly and his J.V. girls' with their record of (11-5) and additional thanks for those ever needed managers Tricia Pleasant, Robyn Gerrish, and Pam Loveland.

As put by Mr. O'Rielly referring to the whole team "These hard-working girls never gave up."

Varsity Boys' Basketball

Looking on to the future seems to be in the thoughts of the 0-16 boys basketball team this year. Despite their losing Bryon Task, Gerry Dobosz, Andy Jackman, and Bill Leh the team will return with four starters next year; Co-captain Bob Mosca, Co-captain Rick Crofton, Art Ackerman, and Scott Martineau. Along with the whole team, Coaches Mullins and Lambert are looking forward to a brighter season next year.

All of the awards given were team selected. The Most Valuable Player and Top Offensive Player was Bob Mosca. He was the leading scorer, and the third highest rebounder. "He always put out 100% effort and had great leadership qualities" said Coach Mullins. Top Defensive Player was Rick Crofton. "He was given all of the tough assignments" said Coach Mullins "and he always did a commendable job on them.

"Bill Leh worked hard all year to become the Most Improved Player. The Rookie of the Year was Scott Martineau. Being 6'1" he was often the center and did an excellent job on the boards . . "The Most Significant Game of the season" commented Coach Mullins "was the game against Frontier. They're a tough team and we really made them work hard for their win."

Ex-Cross Country

Last year the Turners X-Country team was in a three way tie for first place in the Northern Division Western Massaschusetts X-Country league. with Mohawk Regional and Gateway Regional High School, Gateway, a rival of Turners Falls, didn't get a chance to run against Turners this year, because Turners Falls didn't have a X-Country team.

At the beginning of the fall season, the volleyball, football, and the X-Country teams started practicing as usual. The only difference was that the X-Country team didn't have a coach, because of this, the team did not have a very large turnout. Mr. Dobozs, the father of one of the X-Country atheletes, thought that the students should be able to run and he took the job as coach. There were only seven runners on the team, two of whom were freshman who had no running experience. During practice one of the experienced, Senior runners suffered an injury causing him to be out for two weeks. The situation was getting worse. The runners finally realized that they were fighting a loosing battle and decided that they couldn't have a competitive team. This came as a big disappointment to everyone who had trained all summer long. As Heather Schab stated, "I was really crushed to find out we weren't going to have a team because I really wanted to be involved in X-Country. It's one of my sports, something that I am good in. I trained everyday all summer long and ran 50 to 60 miles a week. It's just not fair." As for the Seniors it was an even bigger upset. "It's my last year and I wanted it to be my best year. Now I don't get that chance.", said Phil Brenner.

Hopefully, the X-Country team will be able to reorganize next year and continue it's past winning traditions at Turners Falls High School.

Let Us Remember With Pride And Love

In the early morning hours of Friday, January 23rd, 1987, in the midst of a raging blizzard, the administrative offices of the Gill-Montague Regional School District were gutted by a tragic fire. Also housed in the building were the Head-start Program and four classrooms belonging to the Sheffield School. Those familiar with the past will remember the building as the former Turners Falls High School. In addition to the loss of the building, many momentos of Turner's scholastic and sports history were destroyed.

In a tremendous show of strength, the administrators, teachers, and community responded to meet needs of the students.

What could not be destroyed are the proud memories belonging to those who taught or learned, worked or played, in this great school.
